NEWSLETTER No 1 - April 2015

Robert Smith BM
President General

On behalf of the NSW Fishing Clubs Association Inc as the host state for the inaugural new three year management period and also having the privilege of being a third time President General of the Australian Anglers Association I take this opportunity to further extend an invitation to you and your family to attend the 2018 National Championship and Convention at Harrington NSW on the magnificent Mid North Coast of our state. Having enjoyed the South Australian recent Convention some extra thoughts have been considered as you will note that our State Presentation draft program has slightly changed to having now three lay days along with starting two days earlier and finishing one day earlier than announced. Note also the weekly local accommodation period is Friday to Friday. This first newsletter aims to get all the preliminary information out which mainly will be confirmation of our State Presentation evening at Wallaroo and to establish contacts of emails etc. Hope to see you and your family at Harrington
